Dear Jimmy.

I received your most
welcome letter yesterday
and was sure glad to
hear everything is going
alright with you. You
the first of the old crew
I have heard from.

Congratulations on
taking on a better half,
I hope you as happy
as folk and myself have

2
been, by the way were
expecting a third member
to our little family.

We're doing alright for
ourselves. We have our
home and car and a
good job. I work for
wholesale grocery Co.

Well how does it
feel to you having to go
back to work. It's sure
a change from the lives
we have been leading.

I wonder what Kewi
is doing with himself
now he's probly back
in M.Z. by now, but
I haven't heard from him
since I came home. He
was always a poor one
for writing anyway.

I was up to Chuck's
place about a year ago
but he wasn't home so
I missed seeing him. I
may run up some weekend

soon. Jimmy if you ever
 get a chance to to get
 Butch Bassett's address
 will you send it to me.
 He only lives a few miles
 from me and I'd like
 to get up to see him.

Helen sends her best
 and says when you write
 Ena & Dennis give them
 her regards also mine. Well
 I close for now write me
 again soon.

Yours old dad
 George & Helen
