Dear Mum & Dad,

Here I am at long last, I am very sorry for not writing sooner. But I did not realise it was such a long time. I must have had one of my lazy spells again.

Well Mum I got Ruth's letter, & I am very sorry to hear about all the bad news. I do hope boy now you are all feeling

much better. 2

Dad & you have certainly have had a very bad time. You will both have to take very great care of yourself. It shouldn't be so bad now the good weather is coming. But still take very great care, & do as you are told.

I suppose by now you will have Gracie down on holiday, it

will be a holiday of
work for her I
suppose. but I am
sure she wont mind.
It was a good job
you got back home.
I hope we shall all
be home very soon
for good. The news
certainly looks good. It
looks, & we expect it
all to finish any day
now.

I was sorry to hear
about Mr Gill, & Bob

Weir, it all must have happened very suddenly. Jean has some bad luck with Helen, round holiday times. It is very hard luck, & Robert coming home.

Well hun I don't know when I shall get any leave but I hope it is very soon. That seems to be all for now. Things are all very quiet round here. Hope this finds you all much better. Mind take care of yourself. Lots of love. Charles.
