NARRATIVE

183A Shot down by N/F from port quarter below - unseen - own tail gunner & bomber jettisoned. A/c destroyed

RBI/6566 } 31.8.43 Lane - Watts, Balsdon, Barton = PW's : Stevenson - wounded
18.2/182-184 } 1W + 3 unknowns dead.

RBI/3605/KE6566 31.8 Lane. Ogilvy Olsen Marshall 1234401 = PW

272A Set on fire by enemy action : a/c gave sudden lurch just after order to abandon given - pilot possibly wounded but said he was 'all right' again order to jump. Abandoned according to correct drill. Gunners stated that a/c was = hospital, Dorn FE & R/G. Gunners said not dead - only one given bail by Wells. I did not see him bodies & effects. Then was ample time for Rear to escape - my descent lasted 10 mins & a few & know (except possibly the pilot) they were uninjured = the a/c.
