KIA-ORA — GOOD HEALTH

KIA-ORA does literally mean Good Health.

The Maori word Kia-Ora is used as a greeting—"Good Luck"—"Good Health." It is therefore singularly appropriate as the name of the great health drink.

QUALITY was the aim of Kia-Ora Ltd., over twenty years ago. It is still their first principle. That is why their products have set the standard for all fruit drinks.

DOCTORS not only recommend it, but they drink it themselves. They realise the value of fruit juices and they know that Kia-Ora is made only from the juice of the finest sun-ripened fruits.

WHATEVER the difficulties, no substitute, artificial or otherwise, is ever used under any circumstances, in Kia-Ora.

KIA-ORA

from YOUR point of view

THE PROFIT is always good. A retailer may make as much as 7d. on every single bottle he sells. This on a nationally advertised product.

THE RETAIL PRICE is maintained. Kia-Ora are members of the G.P.A.C. and cutting is not tolerated. You are certain, therefore, that in stocking and pushing Kia-Ora you will have to fight no unfair competition.

KIA-ORA ADVERTISEMENTS are appearing in the national press year after year, summer and winter alike. Your customers cannot forget the name Kia-Ora.

QUALITY has always been and remains the first manufacturing principle of Kia-Ora. That is why there is no fear of dead stock—the demand is there.

RECOMMEND Kia-Ora to your customers. It is economical to use (a glass costs less than one penny); it is as healthful as it is enjoyable, and you are assured of a good return.

KIA-ORA ADVERTISING

WHY NOT CASH IN ON KIA-ORA'S ADVERTISING.

Summer and winter alike Kia-Oras advertisements are appearing in the national and local press. The name Kia-Oras is continually before YOUR customers and prospective customers.

When it was first introduced Kia-Oras represented quite a new line for the retailer. Every sale meant additional and profitable business. The housewife came back again, and Kia-Oras became a habit.

The goodwill which was built up in this way continues to increase to-day, backed up by ALL-THE-YEAR-ROUND ADVERTISING.

Attractive and striking show material is always available. YOU may like to link up with the national campaigns by making window or counter displays.

KIA-ORA

Have a hot KIA-ORA
—or a cold!

KIA-ORA HOT is the perfect night-cap. Especially when the cold, foggy days of winter come. That is the time for a Hot Kia-Ora—not only is it an enjoyable drink, but taken regularly at bed-time it will ward off chills and other winter ailments.

As a cold drink Kia-Ora needs no introduction. It is the drink for meal times and for parties and dances. Always remember Kia-Ora means Good Health.

Take it regularly yourself. You will be surprised how much better you feel. Then you can tell your customers about it.

You can
have it
both ways
