Dear Mum,

First of all let me thank you ever so for the lovely parcel of cats. I received it on Wednesday so it didn't take long to come did it? and it didn't have even a scratch on it, everything in it is completely whole. Aren't those human cured turcoes' good?

I expect you have read molly's letter and saw that I got the gravel sheet ok, do you find that my letters are held up very long by the censor?

I quite understand about you not being able to write over Easter,

and with the sweep coming. I'm so
glad you were able to go out and
have a good time at Carot. Glad
to hear that County Sally is coming to
stay with you soon. I'm not saying
anything definite yet but it is possible
that I may be home when she is
there. I keep meaning to write
to Kilt - tell him but I shall
find time in the end. I hope your
lumbago is completely better now,
how is Dad? is he still busy? tell
him I'm sorry that no blades are
forthcoming but we are rationed with
them here, and I haven't had one for
3 weeks. The NASFi hasn't got any.
it's physical agony to shave. I am
finishing this off on Friday. I have to
write letters in little bits. I went
to an ENSA show on Thurs night
there is one every Thursday and sometimes

in between times too. The costumes they
have are marvellous. When you
write dont put "3 AC Wing" just 3 wing
its a security rule, as AC stands
for air crew. Well I think thats all
I can get for now. write as soon as
poss. and thanks again for the post.
All my love
Ken
