Dear Family,

I arrived at Weston quite OK at about 3.0, and then took a bus to Locking which is about 2 miles out of Weston.

I'm not in a hotel now or even flats but in wooden huts, there's about 75 in a hut. I think I've brought everything except one thing

which is terribly important, my
identity discs. I shall get
into a terrible row if in
found without them. I don't
know where they are but
perhaps you could have
a good look round, you
know what they are don't
you? there's two of them tied
to a string, one red & 1 green,
do try & find them if you can.

Another thing I should like
is a padlock as we have
steel lockers with drawers
in to put our stuff in but
don't try to send it with
the discs, in a few days will
do. Practically half the

chaps in this but are free
French so you can tell what
a gabble talk talk is. We
are issued with a pair of
overalls as we do a lot of
work on engines here. There's
only a few stops I know,
half of them seem to have
failed the last course. I
wished afterwards I had
taken your advice and taken
some food for the journey
as there were very few stops
and they for only a few minutes.
Well that's about all I can
tell you so far as we
haven't done much yet only

wait about. Write as soon
as poss and dont forget
the discs please

All my love

Ken
