Dear Milt,

Thanks ever so for your letter  
it was a surprise. I'm sorry I haven't  
written to you for so long but it's a job  
to fit letters in at all. So you have got  
yet another fountain pen, what do you do  
with them all? I should never find  
enough money to buy so many.

Glad you are still doing your stuff  
with the life saving and the Cadet  
Force, you certainly are going to look  
smart soon with the new Gump  
sound, and Lee Enfield rifles too!

even we only have Winchester, have  
you done any range firing yet?

Yes I guess I'm still juggling along  
fine, got chased off Savelinas you  
know. You are doing well in your  
French I see, you ought to be in  
the hot there is French and 2  
Spaniards. Thanks for asking if

there is anything you can get me,  
I don't think there is at the moment  
but I'll let you know if I do.

I'm still looking out for a penknife.

We had lettuce for tea today  
and some were not cut up it looked  
over & funny. It's a terrible bird  
getting eggs here as there is always  
a terrific queue in the MAAFI.

We don't get Saturday afternoons off ever  
so there's not much chance of heading round  
to shops as they are closed if you go  
into town at night. Well I guess that's  
all for the time being, hope you are  
keeping ok.

all the best
