My Dear Moll,

May I first
thank you ever so much for
the smokes and for the cards,
do you know I never seemed to
have a comb before but I
can carry two around in
its case now. Well what
sort of a Christmas did you
have? pretty good I expect
did you go out to tea with
Daphne at all? I couldn't

go to Bedford as there was not
any buses on Xmas day.

Peg. sent me a parcel with a
cake she made herself and
bags of other things, the old
Jim sent me a parcel too
which was quite amazing.

My navigator has just got
himself engaged so we are
hurryng him up to get hitched
so that we can have some
leave, he's a Canadian tho.

I'm sorry this is rather short
but I've rather a lot to do but
write soon and tell me what
you did & had for Xmas.

All my love
