Instructions.

1. This log book is an official document and the property of the Commonwealth Government.

2. Observers, air gunners and w/t operators will maintain an accurate and detailed record of all flights undertaken on service aircraft.

3. Proficiency assessments will be recorded on the appropriate page at the back of the book annually on 30th June, on posting or on attachment to another unit for flying duties.

4. Bombing and air gunnery records will be entered in the appropriate pages at the back of the book annually on 30th June.

5. Monthly totals will be entered on a single line in red ink and initialled by the commanding officer or his deputy.
