Hut 114  
RAF Station  
Millom  
Cumberland.

Dear Dad,

Thank you very much for the parcel  
I received it at lunch time today and  
as I had just sufficient time before the afternoon  
lectures I dashed back to the Hut and opened  
it. I hadn't time however to discover all the  
nice things you sent me and picked up all  
the letters from the top leaving the unpacking  
until tonight.

I was very pleased with the large bottle of  
Walterine tablets which you sent me, they will  
come in very handy when we start flying as  
we seem to get very little chocolate at this  
place and as the usual length of flights is  
three hours you need something to chew on the  
way. Thank you very much Dad for lending me  
your knife I will look after it and let you  
have it back as soon as possible although we

have very little opportunity to do any shopping  
in children, if that is possible - although I guess  
it must be, and as yet we haven't had a  
day off but are expecting one on Friday.

The chocolate biscuits were very  
nice, we have just eaten them tonight over  
a cup of tea on the Salvation Army bazaar  
and the soap, well I guess it must have  
had some effect as I had a bath tonight  
as soon as we finished lectures. Don't worry  
about our having to sleep between blankets, they  
are reasonably clean and we should be  
issued with sheets very shortly.

It was very nice receiving all those letters  
which you sent me but I am miles behind  
with my correspondence, I owe Alex one so  
perhaps you could keep him quiet for a little  
while - it would help, and will have to get  
cracking with the old pen if I am going to  
answer all of them. The letter from America  
was from Maxam, it was an amusing little

Christmas card, better late than never, I think I will drop her a line in the near future as she wanted to know whether I had joined the R.A.F. The other two letters were from Don and Louis, who is now taking a course at Fort William (business) and complaining about having to stay at a place where it rains 25 hrs a day and 8 days a week for five weeks when we have to stay here for fourteen. They and Mary ~~the~~ wish to be remembered to you all.

I was alarmed to hear of your mishap with the balloon barrage and hope that by now you have put things more or less shipshape again. It was very fortunate that nobody was hurt.

I went into Chillon with two of the boys on Saturday night for the first time. It was dark so of course we couldn't see much of it however we didn't want to do as it was pouring with rain, the heaviest I have seen for some time. In this part of the country it's always raining, it is as I am writing this

letter and since we have been here we have only had about three days clear of rain which I believe is a record, on Sunday however it was a glorious day cold, clear and sunny and was one of the few occasions on which we could see the summit of our mountain (we call it a mountain it's about 2000' high and stretches on one side of the camp - the other side is the sea hidden from view by the sand dunes) which was covered with snow.

We are going into Barrow tomorrow afternoon for swimming, occasionally you get the chance and leave camp about a quarter past four, catch the train into Barrow which arrives about half past five and swim at the baths until half past six, when you are given your return ticket and are free to have a look round Barrow until half past nine when you catch the last train back. I shall take this parcel with me to post as there isn't a post office at the camp and if you want to post anything you have to take a bus into town and catch

the Post Office before it closes which is a  
real and a dashed nuisance.

I believe I started telling you about our visit  
to Millom and then broke off to talk about  
the weather so I will continue from where I  
left off. We had decided to go to the only  
picture house in town, a very ancient affair  
too, and having no time to wait found the  
nearest fish shop where we ate a bit of chips  
each before braving the elements again to find  
the picture house. We saw an old film, it was  
only to be expected, but it was very amusing  
and we enjoyed it very much it was called  
My Favourite Blonde. It had stopped raining  
I am when we came out of the pictures, we  
caught the last bus home and arrived back  
at eleven o'clock and went straight in to  
supper - meals are served at nearly all hours  
of the day at this place.

I am enclosing my watch as they have given  
us Astro watches and I don't want two, perhaps  
Dad would wear it for me so that it won't

go wrong for want of using. as they  
sometimes do.

I think I have about exhausted all the  
news so I will say cheerio for the present.

Love to all.

Cheryn.

P.S. Believe it or not I have grown  
a moustache.

P.P.S We had kipe for tea  
the other night.
