COLLINS

CLEAR-TYPE PRESS

Friends are the end and reward of life. They keep us worthy of ourselves ; and when we are alone we are only nearer to the absent.

Stevenson.

There is a glad spring bustle in
the air, perhaps, and the lilacs are
all in flower, and the creepers
green about the broken balustrade.

Stevenson.

I count myself in nothing else so
happy
As in a soul remembering my
good friends.

Shakespeare.
