I got my first Airgraph letters to day from Betty. As you know now we didn't go to Canada at all, but were ~~redirec~~ redirected to England when we hit America. Had a marvellous time there for about a fortnight altogether including Xmas dinner. The people were absolutely wonderful to us & made us right at home & welcome everywhere. The trip was quiet & uneventful & very sociable all the time. Have sent Betty the new address by cable so you can write direct now.

Saw lots of snow coming across America but no white Xmas in New York. Lot of the boys caught colds there but I was lucky - haven't had one since Coota.

I guess there isn't very much to write about each time unless I wrote a book full & that's impractical so I'll concentrate on writing often. I'm very well & happy & we're having a pretty easy time of it where we are getting settled in. Playing hockey to-morrow & probably going on leave next week & will have tennis (the racket survived the trip). Love to everyone at home. Writing again very soon. Best XXXX
