Dear Mum,
I'm glad to get 3 & 11 yesterday. Thanks for the letter Dad. Will write you another shortly. Haven't much time for this one so will make it short & to the point. Have finished our ATP and are posted to-day with a weeks leave before going to a conversion unit. We think we'll do a few weeks on Halifaxes & then get us a Lancaster & go to work in earnest. Have been on Wellington here same as Jessy was. All the crew very pleased with each others results on the course. I was classed above average as a navigator & recommended for a commission which they reckon will come off in about 3 months time. Our pilot is an awfully nice bloke, Despatched from one of those big stations out west where they measure 'em in square miles. Our gunners don't drink thank God - most of the others I met here are something awful - seems a characteristic of gunners. Sorry to hear grandad Adams is sick. Thanks for the cake. You'll need anything in the winter time I don't think - except perhaps some socks. We have more winter clothes otherwise than we know how to carry around sending a sea-mail shortly. Love to all at home Bert xx xx
