Dear Mum,

got another letter from you to-day. The last one from Hillside, I guess. I imagine it would be lovely up there at this time of the year - or by the time you get this. The wattle comes out on the hills at the back about the end of this month doesn't it. I'd like to see some again - none here of course. I'm pleased that Spandad is so well & still as good as ever at the old crib board. Crib is our chief game here lately - three of us could play & my fourth has since been taught, but we mostly play two handed - either with Syd or Ray. Have some great old battles & the average is about even - perhaps a few in favour of Ray. In a game with Syd before lunch he had three fives & a ten before the turn up in five minutes. Syd got two 24's in a row again the other morning. Nice fall of rain you had. The rate it comes down over here it would take weeks to get it. It nearly always drizzle except for a few moderate storms we had in the middle of summer. Glad Margaret is getting word to her sister - it would be nice to go along & see her sometime if its not too far away. I really must write to Charlie & Margaret one of these days. Well Mum there's no more to write about I guess. So classic for a day. Love to all at home. *Bob*
