Dear Mumm,

Tue 8/8/44.

We've been flying every day or night or both since I wrote last so there's not very much to write about.

I received your two cakes yesterday though they are both really splendid. Thanks ever so much Mumm dear. I had an awful job deciphering your letter - it was oily & completely transparent - the writing on the back just as clear as on the front but I managed it.

Had a parcel from Betty a couple of days before also. The best thing in it was 1 lb. of plain milk chocolate & a pound of tea.

We landed at a different drome on one of our cross countries the other night & met a couple of the chaps we did O.T.V. with who also landed there - Bert Howard was one of them.

Have only 2 trips to finish our course here & if we can do them in the next 3 nights we stand a good chance of getting about a week's leave before going onto lanes. Rod Brownlee is just finishing his O.T.V. & expects a weeks leave at the same time so we hope for a reunion.

Cheris for to-day Mumm.

Love to all at Home. Bert xxx
