No 29 Dear Mum, Thus 30/9/44.

Here we are again. A bit longer than usual I'm afraid but we've been very busy for about four days now & I've kept putting it off. Been to Germany three nights out of the last four & if that isn't busy, I don't know what is. We haven't had any trouble with any of them so far & have done eight of the quota of 20-25 to be done before taking a year's spell - generally runs into a year they tell me which must surely mean going home.

Have had a lot of mail in the past few days two from you, three from Betty & also three bundles of Six Week & Smiths Weekly, one from Rene (say she's putting on a spot of weight). Also I've recently started corresponding with some of the old Mudgee clan & got my second letters from Bert Campbell & Saffy Madrell. Saffy sent some extracts from the Guardian about Jerry & Jimmy Cameron going off.

I sent him Beryl's photo & one of Betty's just to look at & send back & he reckons he's had a devil of a job to get the facts to part with Beryl. Anyway he wishes to be remembered to the family & "love to Beryl" who said she couldn't get a letter. Believe they've started a new mail service & one from Betty came two days quicker than an airmail. All for now. Lots of love to everyone at home. Bert xxx
