No 32 My Dear Mother,

Not much to write about this time I'm afraid. The weather has been pretty crook. We've only done one more op. and no other flying. We manage to while away the time with club, soo a bridge among the two crews in our room seen a few pictures too & am going again to night. Saw Ring in going my way last night in Lincoln and enjoyed it. Haven't had any more mail from Aussie since the issue at the end of our leave. All the fellas are having the same trouble. Got another letter from Saffy Madell yesterday which was welcome enough as the only one for a week. I don't think I told you before that we struck my old cobby Rod Bebrodlee in London. I hadn't seen him since Brighton but we'd been writing regularly & never got leave together. He was held up at A.F.O with sickness & got well behind us. Anyway he's getting close now, is just going to Smishing School & being in a practically all Aussie crew expect to see him roll up here in a couple of weeks. Syd met him the last night we were in London & told him which room we were in without letting me know so I got the shock of my life next morning when he strolled in just as we were getting out of bed. Met another chap from Mudgea here the other day, few Coetigan air gunner. Hence nearly all the fellas I used to knock around with. Cheers for now Mum, love to all at home. But XXXX
