No 35 Dear Munn, ^{One person left Adams St. 1000 Kooka House, Bungary, Australia.}
 Here we are again. ^{Just 14/11/44} Still not much to
 write about except to let you all know that we're all
 still going well & slowly but surely getting them done.
 It looks like we'll just about finish off our tour
 by Xmas - we have 11 to do & have some more, have
 coming up at the end of this month. I think I told
 you in my last letter that Scotty's gall finished
 up ok last week, so that's one of the local lads
 who looks like seeing home again. Bushie Goodfellow
 got turf, we did & so there's not a lot of hope for
 them now unless they happen to bail out over the
 land & become P.L.W.'s. We miss them quite a bit as
 they've been in the same room as us since we arrived
 here. My old cobbler from Coota Hospital & onwards, Rod
 Brownlee has turned up here at last. He's looking
 well & glad to be here with the fellows again. We went
 to town last night with him in Peter's car & saw the
 pictures. He's been having more bad luck with his
 family at home. He'd saved up £100 to buy a motor bike
 when he heard his youngest kiddie had broken his arm
 - something. He said he had a real battle with
 conscience & finally decided it was best to send his
 home just in case she needed it for doctor's bills or such.
 Love to all at home. Best XXXX
