Once again I report all well, in fact I
can't say I have ever felt better; I hope you
are all well at home. Many happy returns of
your Birthday Paddy! By the way how is Army
life treating you, I hope you have put on those
two stones that you always wanted to.
During the week I went to hear a Dance
Band Recital in our Camp Theatre, it was
extra good, the only thing missing to make it
look like a Civilian show was the absence
of the fairies. The band was composed of
fellow prisoners. Last week I dropped a
line to Spike; talking about letters did
you receive my other three letters and one
Postcard? The Red Cross Parcels are
still rolling in, by now I have become

an expert cook and I serve up some most
tasty dishes. Today I just finished making
a set of eating dishes out of jam tins,
unfortunately they only last about a month
and you have to start in and make
another lot. Well that seems to be the
lot at present, don't worry over me. God Bless ^{you} _{you}
