Monday.

My darling,
Just a line or two to let
you know I arrived back at camp
safely. After I left you at Waterloo
I had a very quick journey on the
Underground and was actually on
the platform at Kings Cross at 10¹⁵ p.m.

The train was packed but
I got a seat at the first stop,
didn't see Bill but met him at
Doncaster, the ride back was very pleasant
and we were in bed by 6¹⁵ p.m. Am
glad to say the tea ~~was~~ ^{was} ~~very~~ ^{was} ~~well~~ ^{was}
well when we got back.

We are now on a 2 1/2 day
R.A.F. Regiment course and they are

teaching me how to fire a rifle again, just like a new recruit!

We did some shooting on the range, I tried with another chap for top place, got eight bulls and two misses with the ten shots, tomorrow they are going to teach me how to fire a sten gun! I've not let on that I was in the R.A.F.R., they might find me a job!

Well darling that's all for the time being, there's no news for the weekend but expect it will be O.K. shall be writing again later.

There's for now, I did enjoy my last weekend and I love you more and more as the weeks pass.

Give my love to Mother and Dad, is the clock still going?

Take care of yourself,
all my love dearest
yours Jack.
