R.A.F Station Barfod. the Bloxham Exons.
Dear Geans,
Thanks so much for you Bette whit I received today. from what I have heard a better protal addaxes io by y percent one as although e we are only $1 / 2$ milo from Bayard H- Yo tm be are in a different postal area and we get our mail cia Bloxham. Am glad to hear you are still surwing $m$ quite of the hectic Limo you are haring, Dad said in his lad-leltw that thees not much banes about; begone is ayparbathy

2 looking Jo Drodke Pugs, Luctivig hone have fallen mo blaygaté so Jas. ban imagine you dashing in and out during fire watching. expect the brief Warden refers it yow as the original If Hare you lever sem a cham walking" expat I shall get buthid for that next time I see yow. according to our next day off should be saturday teas buy 102 . y all goto well I should get dome Judas night:

We have been doing a Jain amount of flying, although the weather has been bo cloudy jor high. level bombing, however we be orusived the

3, curaito and bumps staye, Ior aluady thed some dual and fies tho tite for about 10 mimutio, now on navigation hes anwid from Iseyford we shall stact seing the country

Anv sony to thear your terinio is not so goord, probably the effect of these sleypless niggts, or have you feen gandining? tmandleng the lawn ynowes about: os volling the baun. I syppe.

The weather hasint been tov good todng, it stauted to rain at $10 \%$ its monming and hes continaed all doy, tot particabely Ruary fut hough to mate thing unionafatable. He bcal village is munning
4. a batute the boltici week. the station target is 11,000 , up to tho thomeat vevic got a 300 m tro deyp. The fud nift theie wos a camy sueut and it tuened out to be a fridi class dons, hast nigle the wao a dince on tuat I didit fotheu, theres a tress dance of Vedresdeg. but axpect I slall be niglei Jying, has ane $I$ my go if not, there ane a जoad of turves and other guils somingy from Brantury, so thew should be plinty of pactivio.

Sell, mast pack oy M, clenis for the timo' bening, tootang foward to seeing you on Laterday.

Take can of youngly. you glack.
