Some Place
Till Friday
Praps!

Dear little sis,

Here's a few lines
for your private arker like to
cheer you up a little bit.

Thought you might like to
know I wrote to Vera and
got a nice letter back which
shook me! Seems she still
wants to be friends but I
don't think we'll ever get
serious about each other again.

You said you thought I
ought to write and sort of
make amends so I did
but I'm telling you private
like cos praps Mum & Dad
won't like the idea - I don't
know. I still don't know how

V. feels towards me - as she
only mentioned being friends
but otherwise she wrote quite
a newsy sort of letter about
Blub etc. Well that's that. I
still don't know if I'd like to
go out with her again even
if 'er be a 'willin' which I doubt
so it's a bit of a bbb bbb (uh?)
isn't it!

Well that's not really what
I wanted to write about anyway.
I want you to know how
sorry I am that Les. will
have to go away - still it
won't be for long we all
hope and he won't be
very far away in these modern
days of travel. Please give
him all my love and wish

him the best of luck and make
him give you a big kiss from me
speshul!

Don't forget Maggie darling - a love
like yours can conquer any time
and distance. God Bless you both.

If you feel lonely like anytime
then write to your little brother
and I'll try to cheer you up
with a speshul private letter, and
don't muck up the backs of Mum's
in writing to me please. Write Private
like too!

Well T. S. L. P. God Bless you and
Les. And may He keep you safe
Always for me,

Johnny
