**Short Form of Will.**

(See instruction 6 on page 1.)

An alien may make his will on the next page. He must sign it in the presence of two witnesses, both of whom must sign it in his and in one another's presence, unless he is on active service or under orders for active service, in which case, provided the will is in his own hand writing and signed by him and dated, it requires no witnesses. The full names and addresses of the persons whom he desires to benefit, and the sum of money or the articles of property which he desires to leave to them, must be clearly stated. The mere entry of the name of an intended legatee on the next page without any mention of what the legatee is to receive is of no legal value.
