This is to certify that I thoroughly understand the petrol system of the Wellington aircraft, and the correct operation of all fuel cocks, including the nozzle. I am also fully conversant with the oxygen system, and with the use of the portable oxygen bottles. I have carried out crew drills, and understand the actions to be taken in emergency.

Signed: H. G. J. Jones Pilot/Observer Date: 23rd December 1944

I have examined the above and I am satisfied that he understands the various systems and procedure as detailed above.
