RESULTS OF AB INITIO COURSES AND REMARKS

No. 8 SQUADRON
Formed December, 1914,
at St. Omer, France.
Squadron, Edward VIII,
November, 1918.
*A lot of course, it
seems to have been
quite and easy in the
end.*

No. 30 SQUADRON
Formed May, 1918, at Bovey, Kent.
Aircraft, Group VII.
Motto: "From Defence to Attack."

The unit formed at Bovey, and has
adopted a motto being oriented to a
ground to show their connection with
that area, the area of which includes
St. Martin and the temple with whom
he attacked his ship.

SQUADRON EMBLEMS

No. 13 SQUADRON
Formed January, 1917, at Montrose,
Scotland.
Squadron, George VI April, 1938.
Motto: "Strike to Defend."

A red dove's emblem is in reference to
the Squadron's maintenance work from
land. The dove has its wings, some
representing an outstanding success
in the 1914-18 war, when the 13th
were awarded for the operations carried
out for six months in the air, and
one night in June, 1918. They were
the only aircraft operating that night
on the front, being in unbroken
weather. The emblem is the black
dove's emblem, the name '13' and
three top points stand for the years
of service from 1917 to 1938.
