My dear Phyl.

Just a line to say that  
Mae has fixed up a car next  
Sunday. His wife is staying at  
Baldock and the programme is  
to collect - yes Sunday morning  
then Mae and all go over to see  
Car - coming back the same night.  
Have written to Car and told her  
not to worry about grub unless  
she can raise a chicken for

Lunness. Eggs & so will be quite  
enough - with satisfying & so forth.  
I'm staying at Hamnersmith  
Saturday night. Do hope you can  
make it - but if you can't just  
have a message when we call  
or get in touch with me (Riv 1113).

All news when I see you.

All the best -  
Love.

Dev.
