Dear Douglas.

We were all so
relieved to hear that you were safe
and well, and now that we have
your address I thought I would
just drop a line and wish you
"all the best" for Christmas and
the New Year, to let you know
you are not forgotten. Goodness
knows when you will receive this
letter - if ever it does reach you!
I should have got it off before
this, but somehow time flies.
Mother has just

came home after spending a fortnight with Nellie & Kenneth in Edinburgh. Did you know I was going to be an "Auntie"? "Sandy" is expected to arrive round about your Mother's birthday! Nellie is keeping quite well - so is Kenneth. I had 12 days leave in September & spent 5 of them in Edinburgh, it was a lovely change from my job. I have never been before & I think it is a wonderful City. I was, in fact, there when the news came that you were safe. Nellie & I did a war dance round the hall.

I think all our folks

are well - Grandpa gets to look
a very old man, but it is only
to be expected. He is just as
happy a soul as ever!! only
more so - I think.

When I set off on
duty this morning I thought of
you in a nice warm spot I
tried to keep myself warm with
the thought. Am thinking of
inventing a sort of muff for noses.
Mine seems to catch all the
elements of the weather.

Well, Day. I
don't know what else to say to
you, as I want you, if possible,
to receive this letter without
delay. So I will stop now.

I understand there isn't
anything you want sending, but
if there should be don't hesitate
to let us (any of us) know.

With all good wishes
from us all.

Love,

Eileen
